This is a camp, not a hotel, please pack accordingly. Bring sleeping bag, pillows, towels, soap, and changes of clothes, especially socks. We will have evening programs and the nights can get cool in October, so again, pack accordingly. Because of such great attendance, we cannot guarantee heated cabins. **Bring warm stuff – and a flashlight.**

PLEASE!! Do not bring video games, iPods or other valuable items. We are staying in unlocked cabins and the camp is on a public road. Be Smart. Be Safe. Leave these things at home.
